Thank you for choosing Kids Club House for your child's preschool experience. Spots fill up quickly! In order to secure a place for your child, the FIRST of TWELVE installments is due with the return of this form.

Our preschool curriculum prepares our students for kindergarten and our **Above and Beyond** classes teach them more than they need to know. They don't need to read words (Reading), know how to dehydrate kale to make chips (Cooking) or know how to form abstract ideas (Art), but they are certainly capable of learning these skills! Our Above and Beyond class offerings are listed on the reverse side and are offered to Wings students first, at a discount. Registration for Above and Beyond classes is ongoing (Reading, Art and Cooking). Please circle any/all Above and Beyond Junior Wings classes on the back of this sheet that you would like to enroll your child in. Above and Beyond class spots are held with a \$50 deposit (per student).
