Thank you for choosing KIDS CLUB HOUSE for your child's preschool experience. Our preschool curriculum prepares our students for kindergarten, and our **Above and Beyond programs** teach the children more than they need to know. Preschoolers don't need to read words (Reading Club), know how to dehydrate kale for chips (Cooking Club), or know to form abstract ideas (Art Club) but are capable of learning. **Registration for the Above and Beyond programs is ongoing. Please circle any/all classes on the back of this sheet that you would like to enroll your child in. New family? Please also fill out our new family registration form and add \$25 fee:**
